Results with WAWF

During our ramp up...

We expected

Improved on-time payments

Reduced interest penalties

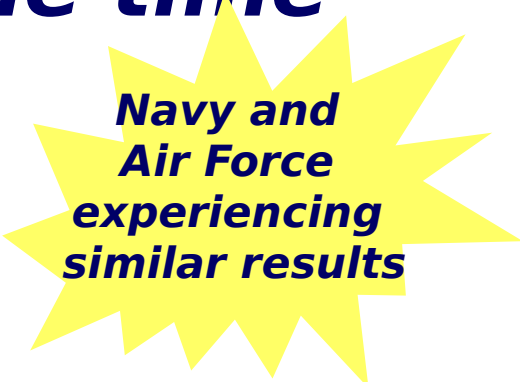

Reduced acceptance cycle time

We experienced

100% on-time payments

Zero interest

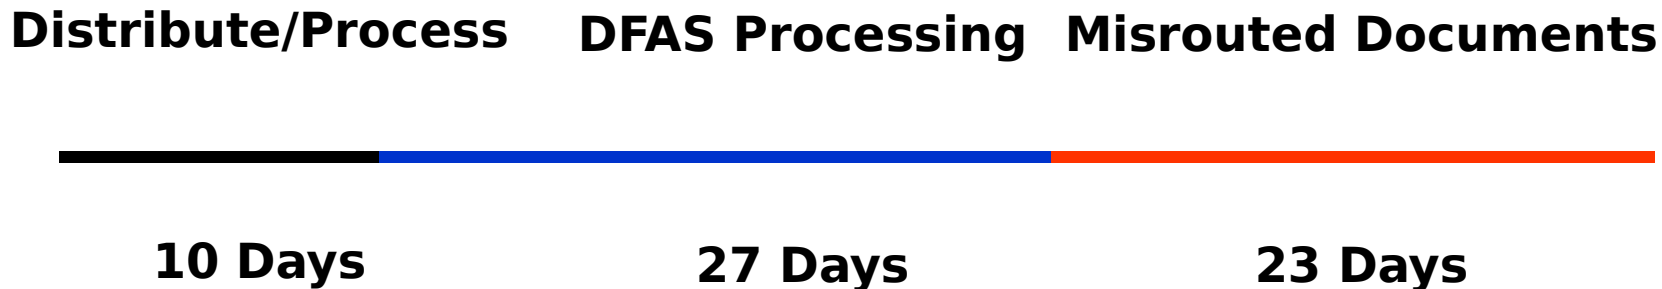

***90% reduction in acceptance
cycle time***

***Navy and
Air Force
experiencing
similar results***

Acceptance to Payment Cycle Time

Paper Process

Using WAWF

**** 23 Day Minimum due to Cash Management***

Technology Refresh

- **Eliminates Pure Edge ViewC**
- **Browser Independence**
- **Enables Wireless Web**

**Gets rid of any
client software**

Additional Payment Types

- **Cost Vouchers**
- **Financing Payments**
- **Construction Payments**
- **Fast Pay**

**Enables
retirement of
WInS**

In production early 03
